

Reaching orbit

Michael Bernstein

Stanford University

<http://crowdresearch.stanford.edu>

Our goal: soft
launch Nov. 6

Today

- CHI process update
- New meeting time based on your feedback
- Updated design of authoring page
- Open governance
- Round 3

New meeting time

Starts next week!

Mondays 8pm Pacific

- Benefits
 - Able to take advantage of weekend productivity pushes
 - Lose fewer west coast contributors
 - Morning in IST
 - Already has worked well for ad-hoc hangouts
- Costs
 - A bit early for Europe

CHI process update

Where we are at

- September 25th: CHI deadline
- October 3rd: papers assigned to ACs
- October 8: review requests go out
- November 4: reviews are due
- November 16(?): AC metareviews are due
- November 18: reviews returned to authors
- December 1: rebuttals due
- December 14: final decision notification

Authoring page
