Laking skills are greyed

The screenshot shows a 'Task Feed' interface with a purple header. The header contains a logo on the left and navigation links: 'My Tasks', 'Task Feed', 'My Projects', and 'Jasmine'. The main content area lists three tasks, each with a price of \$4.00, a duration, an hourly rate, skill requirements, and an acceptance rate. The skills 'HTML' and 'CSS' are greyed out, while 'Typing' is active. The acceptance rates are 90%, 50%, and 30% respectively, indicated by colored vertical bars (green, orange, red).
