Today's topics

- Reviewing our intros
 - Prototype tasks
 - Reputation
 - Open gov
- Platform progress
- Design
- UIST camera ready
- Writing our CHI intro

Reviewing intros

Platform updates

Code review

Design

UIST *camready*

CHI paper planning

**This week's
milestones**

Dig in and use it

- Now through Wednesday: post tasks and test the Microsoft tasks on demo.stanford.edu — we're testing our UI!
- Thursday – Friday: we bring in a few real workers to try out the Microsoft task

CHI paper intro writing

- Hangouts on Monday and Wednesday to work through...
 - The argument
 - The evaluation plan
 - The writing plan

Repsys

- UI for the reputation system

Design

- Implement the master CSS! :D
