Getting feedback on concrete ideas

Bringing survey research into the digital age.

Mix core ideas from survey research with new insights from crowdsourcing.
Add a heavy dose of statistics. Stir in a bit of fresh thinking. Enjoy.

HOW A WIKI SURVEY WORKS

Voting plan...

- We edit and clarify the ideas: today and tomorrow
- Requesters: launches Monday
- Workers: launches Monday
- Researchers: launches Monday

Third-party reputation

Discussion on the Hangout...

New incoming class of participants

Will start mid-to-late May!

Where should we be by then?

- Infra?
- Open gov?
- Credit and reputation?
- I suggest we focus on these two foundations for now, then open up the other two with the new set of participants

Milestone II

Researchathon

- The #opengov brainstorm worked pretty well this week, I thought
- So, Milestone 11 will be a collaborative milestone, a set of 140-character ideas just like we've done with #opengov

Researchathon

- We'll post a GDoc in the Slack channel where you can contribute.
- Let's do open conversation Google Hangouts and Slackathons on Monday and Wednesday 7:30pm PDT.
- Goal: launch another allourideas next weekend.
